Dear Valued Customer:

We would like to take this opportunity to thank you for the business you have given to Univance Telecommunications, your long-distance service provider, and to share with you some changes you will be seeing in the near future.

In April 2003, Motion Telecom, Inc. purchased the assets of Univance Telecommunications, Inc. The customer service and key staff of Univance have now joined the Motion Telecom team, and have continued operations while merging into the new company. As part of that sale, and effective on August 1, 2003 (or as soon thereafter as all regulatory approvals have been given), Motion Telecom, Inc. will officially be your long distance services provider.

Motion Telecom, Inc. is part of a family of Advantage Advisory Service, Inc. companies which have a twelve-year history in the telecommunications business. Advantage has a proven history of profitability, cash flow and high credit ratings. In this unstable economy, Advantage's companies stand out as stable and successful.

You will notice only a few changes and the new name:

Your rates and services will remain the same.

All of your former contact numbers will remain the same:

CUSTOMER CARE: 1-800-864-4306

Monday – Friday, 7:00 a.m. – 6:00 p.m. (MST) (and emergency after hours service)

The former Univance employees are excited about their opportunity to continue to serve you, and at Motion Telecom Inc., they have access to the resources they need to meet the high level of service you deserve. Motion Telecom is required by the Federal Communications Commission to provide you with certain information and your rights as a customer. Please let us hear from you should you have any questions, comments, or concerns; we value your feedback! Please call us or send an e-mail with any concerns to: feedback@motiontelecom.com.

Thank you for your business.
